Dear Mr. Keogh:

Thank you for your letter of 24 April 1959 regarding

To improve efficiency and effect economies, we have instituted a program for the gradual reduction in the personnel of the Agency. Consequently, we are in general only hiring clerical personnel to keep abreast of the turnover in this field, a few selected trainees, and persons with certain specialized attainments in our particular fields of work. Our first review of [redacted] Form 57 does not suggest that he would fit into any of these categories. However, we shall consider his application more carefully in relation to our current vacancies before making a final determination.

We appreciate your referral of [redacted] and shall advise you regarding the outcome of his application.

Sincerely,
